Only fish caught between 6 a.m. and 3 p.m. will be eligible for any prize. Lake O' The Pines shall be off limits to all contestants and Non-Contestant Companions for fishing except during Tournament fishing hours; however, contestants may launch their boats prior to 6 a.m. but may not fish prior to 6 a.m. on either day of the Tournament.

12. Only largemouth, smallmouth and Kentucky spotted bass (black bass) will be weighed-in. This is a big bass tournament.

13. Contestants may weigh only one (1) fish per hour. It is the responsibility of each contestant to report on time for weigh-ins. Contestants properly in-line (as determined by Sponsor in its sole discretion) by the last minute of the hour (e.g., 1:59 p.m.) shall be considered in-line for that hour even if their fish is not weighed until the beginning of the next hour (e.g., 2:05 p.m.). All fish that are weighed in must have been caught in Lake O' The Pines by contestant during Tournament dates and fishing hours. Fish must be kept on a stringer or in a live well, and fish must be alive to be weighed. Do not transport fish to the weigh-in point on ice or ice water. Fish may be weighed-in beginning at 7 a.m. on each day of the Tournament and must be weighed-in on the day caught. Fish must be weighed-in by the contestant who caught the fish. Official weigh-in site is Lakeside Park on Lake O' The Pines. ANYONE CAUGHT CHEATING WILL BE PROSECUTED. The scale provided by the Tournament Director or his designee shall be used for weigh-in and shall provide the official weight of the fish for purposes of the Tournament and determining prize winners.

14. In the case of a tie related to any prize, the fish weighed-in earlier in the day (as determined by Sponsor in its sole discretion) will be deemed the winner. Contestant must be in the weigh-in line no later than 3 p.m. daily for their fish to be weighed. Trailering a bass to the weigh-in site during the Tournament hours is permitted. Only the largest fish weighed-in per contestant during the Tournament will be eligible for one of the top ten cash prizes.

15. Nothing shall be added to any fish presented for weigh-in that would alter the weight of the fish in any fashion. Fish may be held for inspection by Sponsor and will not be returned to contestant. All fish weighed-in become the property of the Sponsors and will be released back into the lake at the discretion of Sponsor. Any questionable entry will be subject to inspection by a marine biologist or similarly qualified expert (as determined by Sponsor in its sole discretion) and will be disqualified. All protests must be submitted in writing to the Tournament Director within thirty (30) minutes of weigh-in. Sponsor reserves the right not to award a prize for any questionable entry (as determined by Sponsor in its sole discretion).

16. Fishing will be done with a rod and reel and artificial, passive lures only (lures may not have batteries, lights, vibrating action, etc.). Use of a pork rind is acceptable. No trolling (big motor) permitted while in the act of fishing. Trolling from place to place is acceptable when not in the act of fishing. No fishing is permitted with more than one (1) rod at a time. Non-Contestant Companions may assist contestant only with the landing net.

17. No launching is permitted from the Tournament weigh-in location during the Tournament. No wake is allowed at that location. All contestants and Non-Contestant Companions must wear a Coast Guard-approved life vest when the outboard engine is running. There is no limit on the number of contestants fishing from a single boat provided all applicable Coast Guard and other regulations are followed. Wading, pirogues and tube fishing are permitted, but each contestant is responsible for his/her own safety and Tournament sticker must be displayed.

18. No contestant is permitted to fish within 50 feet of another contestant's boat that is anchored, tied or fishing the shoreline unless permission is granted by the other contestant. Bank fishing is permissible. No fishing is permitted within 105.7 yards of the official launching area. The reporting of concerns to the Tournament Director should include the boat identification/registration number.

19. Sponsor reserves the right to cancel or postpone the Tournament due to inclement weather or any other condition that Sponsor deems (in its sole discretion) to be potentially dangerous. Contestants and non-contestants accompanying the contestant assume responsibility for his/her safety throughout the Tournament. Announcements concerning the Tournament (including emergencies and hourly results) will be broadcast on KYKX 105.7 FM and KKUS 104.1 FM. Contestants should bring portable radios.

20. Acceptance or rejection of any entry into the Tournament, determination of winners, prize awards, and interpretation of these Terms and Conditions and the Official Rules shall be in the sole discretion of the Sponsor. Decisions by Sponsor are final when made.
